## A Word from Tedd Tripp

There are three qualities that we look for in the books and materials Shepherd Press produces.

- They must be gospel driven. The grace of the gospel is not just for sinners; it is for saints, too. The grace and power of the gospel is our only hope.
- They must be heart focused. Proverbs 4:23 reminds us that the heart is the wellspring of life. Lasting growth takes place as the heart is changed by grace.
- They must be life changing. Lasting change takes place as the power of the gospel transforms the heart and bears fruit in a believer's life. We know you will find the books in this catalog to possess these essential transforming qualities.

The Psalms of Ascent take us on a journey through life's many ups and downs. In so doing, they shape our perspectives, regulate our feelings, and inform our judgments. They guide us into the path of God-glorifying desires, God-magnifying emotions, and God-honoring thoughts. They equip us to pray in faith, as they beckon us to fix our eyes heavenward. If we listen carefully, they teach us how to look to God in every circumstance of life.

*"There is a psalm for every experience in life, for every sigh of the soul. In 'Longing for Home,' Stephen Yuille guides readers on a journey through this collection of psalms, and they find themselves nodding in agreement as he shows how these ancient texts express the sighs of believers in Christ who are longing for their heavenly home."*—Donald S.
